Dear Dustin,

I would like to take this opportunity to thank Century West for being a Supporting Sponsor of our 2011 Gala Art Auction. Your contribution of \$3,000 assisted in making the night a huge success for the Gallery and our community. Our guests thoroughly enjoyed the great art, special food and lively conversations.

One of the evening's highlights was definitely the Live Art Auction in the Francis B. Sim Gallery. Having auctioneer, Ken McDonald, running the show was priceless. His expertise kept the bidding going and his sense of humour lent to a wonderful atmosphere and resulted in over \$25,000 being raised in the art auction alone.

Another highlight was the Hard Rock & Heavy Metal photo opportunity. So many of our guests delighted in "hopping on a Harley" and receiving a great souvenir of the evening to take home. All in all, we were delighted at the fun and festive atmosphere in the Gallery that evening and are very happy with the funds we were able to raise for the continuation of art education programs for youth and families at the MacKenzie!

Thank you again, Dustin, for your generosity and continued support for this important event; I look forward to seeing you at many MacKenzie events in the future.

All the best,
